

### Statement<sup>™</sup> VES

Single-function handshower, 1.5 gpm K-20998

### Features

- Wide coverage spray produces an encompassing spray for everyday use.
- 1.5 gpm (5.7 lpm) maximum flow rate handshower allows you to save water without sacrificing performance or coverage.
- Variable-flow lever lets you adjust from 1.5 gpm (5.7 lpm) down to 0.5 gpm (1.9 lpm) water pause for greater conservation during your shower routine.
- Soft silicone sprayface is easy to clean.
- Magnetic docking securely holds the handshower in place when paired with the Statement VES handshower holder and supply elbow.

### Material

KOHLER finishes resist corrosion and tarnishing.

### Technology

• Katalyst<sup>®</sup> air-induction technology infuses water with air, creating bigger drops for a more powerful spray.

### Installation

- Bracket or slidebar required for wall-mount installation.
- Deck-mount holder required for deck-mount installation.

### Water Conservation & Rebates

 This product can help a building earn Water Efficiency points in LEED<sup>®</sup> Green Building Rating System.
